

## Candidate Application for OKCRWC Campaign Funds

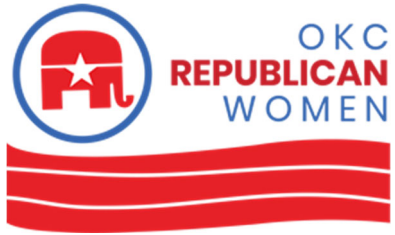

Each election year it is the pleasure of the Oklahoma City Republican Women's Club to provide campaign funds for a number of Republican candidates for state and county office during the general election, including the Oklahoma House of Representatives and Oklahoma Senate. Such candidates, who wish to request funds from the OKCRWC, should email their request to our campaign activities chair. \

The OKCRWC does not have the resources to give to each and every candidate. As directed by the Bylaws and NFRW guidelines, our organization is not the fundraising arm of the Republican Party, but will assist candidates with funds as they are available. **We do not contribute to candidates for a state office until after primary elections. We do not give funds for Federal races.** The OKCRWC is not registered with the Federal Ethics Commission (FEC) and, therefore, cannot give funds to candidates for a Federal office.

In considering which candidates to assist with OKCRWC funds, high priority consideration will be given to candidates who have attended a campaign school sponsored by an official Republican Party organization or auxiliary. Candidates previously elected to a state office, including the House and Senate, and candidates sponsored by a House or Senate PAC meet this qualification.

To determine which candidates it would be most beneficial to support, the Committee may consider:

- Recommendation of associated Republican Women's clubs
- The candidate's involvement with and/or support of OKCRWC and its associated clubs
- Recommendation of party leadership
- The candidate's proven fundraising effort as evidenced from campaign filings with the State Ethics Commission.
