I,_____, do hereby attest that I am a registered Republican with a valid voter ID and I support the objectives and principles of the Oklahoma City Republican Women's Club. Furthermore, I declare that I will uphold the principles of the Republican Party as expressed below:

Signature_____Date_____

We believe in limited government, individual liberty, and personal moral responsibility.

We believe Oklahoma should be a place of opportunity where people who work hard and abide by the rules can pursue their own dreams with a reasonable expectation of success.

AS REPUBLICANS, WE BELIEVE

Our rights of life, liberty, and property are natural rights granted to us by God and protected by the Constitution

In the right to worship as we please without government intrusion or interference

The federal government's power is constitutionally limited, yet responsible for protecting our sovereignty, establishing justice under law, and securing our liberty through a strong national defense and effective law enforcement

God is the Author and Creator of life and that all human life, both born and unborn, should be protected

In traditional marriage consisting of one man and one woman

It is the private sector and free market principles that best stimulate economic development rather than government subsidies or programs.

–Taxes collected at all levels of government should be used only for legitimate government functions, and those functions carried out efficiently so that tax rates may be kept as low as possible

That government closest to the people governs best and is preferred to centralized control

It is the right of every parent to act in his or her children's best interest including choosing the form of education, whether public school, private school, or home school

We should welcome immigrants who want to legally seek freedom and opportunity, who want to work for a living and who will embrace our values, learn the English language, and respect our national sovereignty
